Preparation for In-class Presentations

Dr. Peng Ning CSC 774 Adv. Net. Security 1

About the Presentation

- Will be graded.
 - 10% of your final grade.
- Time
 - Each presenter has about 25 minutes.
 - 20 minutes for the presentation.
 - 5 minutes for questions and answers.

About Grading

- Distribution of the presentation grade.
 - Total points for presentation: 100 points.
 - Distribution of the grade:
 - Preparation: 20 points
 - Slides and at least a question about the paper
 - In-class presentation: 60 points
 - Answering questions on the discussion board: 20 points.

Preparation

- Slides
 - You need to give me the final slides in ppt or pdf 72 hours before your presentation.
 - This counts for 10 points for the preparation.
 - You lose 3 points for each day's delay.
 - You are encouraged to discuss your slides with me during my office hours.
- One question about the paper
 - Your question should reflect the key idea of the paper.
 - You should post your question on the discussion forum under your topic 72 hours before your presentation.
 - This counts for 10 points for the preparation.
 - You lose 3 points for each day's delay.

Slides

- Your slides should at least cover the following issues
 - Introduction
 - Clarify what research problem the paper discusses
 - Brief overview of alternative techniques
 - Clarify what are the techniques before the paper
 - Techniques introduced in the paper
 - Clarify how the paper you present solve the problem.
 - You should at least make the basic techniques clear.
 - Conclusions and possible future work

Grading of Presentation Itself

- Clarity of the content (30 points)
 - Does the presenter discuss the basic techniques logically and clearly?
 - Introduction (5 points)
 - Related work (5 points)
 - Main techniques (20 points)
- Clarity of oral presentation (5 points)
 - Does the presenter speak clearly?
- Coverage (10 points)
 - Does the presenter cover the essential techniques in the paper?
- Future Work (5 points)
 - Does the presenter have a clear idea what could be done based on the results in the paper?
- Questions and Answers (10 points)
 - Does the presenter give satisfactory answers to audiences' questions?

Questions and Answers on Discussion Board

- You have to answer each question posted on the message board.
- For each question you do not answer, you lose 5 points.
- Results will be collected at the end of semester.
 - Only questions posted before 11/30/05 will be considered.
 - Will check on 12/02/05.

- Grading form is available on course website.
- You should check it when you prepare the presentation.
